| AQ01385 | JS10-4-7 | K S 100 | 90~100 | 200 | 800 |

Principal Particulars
Quick set and release
More load, more tight
No scar on wire rope

Our Quick Stoppers are widely used to set wire rope in the required line, prevent it from swinging, pull it in and give winches more works if necessary.

For safety work they are also used as emergency stoppers which are useful to protect accidents and life, too. Take advantage of our Quick Stoppers for marine and land works, especially for work boat salvage and construction works where wire rope is used under heavy duty.
